POPULAR PHONO & RECORD ACCESSORIES

- ① **RECORD BRUSH AND TONE ARM LIFT**
A unique combination of a fine record brush that sweeps records clean in front of needle, plus a tone arm lift for easy handling of tone arm. Clips on any arm. Mfg. list 98c. No. 24A299. **Net Each 59c**
- ② **GARRARD PRESSURE GAUGE**
This accurate, easy to read gauge features a large, legible scale, visible through a clear plastic window, with widely spaced gram markings. Has a 5-gram brass test weight which is used as a standard, so that the scale can be zeroed for utmost accuracy. Can be used with any cartridge or tone arm. No. 16B595. Model SPG3. **Net Each \$2.95**
- ③ **ELECTRO-WIPE STATIC ELIMINATOR RECORD CLOTH**
Preserve your good records from harmful dirt and grit as well as static charge with one wipe! Eliminates record "pop and click" from vinyl attracted charges. Lubricates records for smoother needle operation, eliminates friction and static. Keeps grooves clean for true, clear fidelity, longer record life. Used by many broadcast stations and recording companies. No. 20C691. **Net Each 59c**
- ④ **ANTI-STATIC RECORD CLEANER**
For vinylite and all standard records. The aerosol spray action removes dust and deposits a microscopically thin film. The film grounds static electrically and makes records permanently dust free, it will no longer cling to the surface. This reduces surface noise and increases record life. No. 16B582. 5 Oz. Can. **Net Each 79c**
- No. 11B634. 8 oz. can. **Net Each \$1.08**
- ⑤ **75-POWER NEEDLE INSPECTION MICROSCOPE**
Precision made of finest optical parts. Wide angle lens shows a large, clear image of stylus, so that any wear or chipping can be instantly noted. The only sure way of protecting records against damage. Easily carried in shirt pocket. Only 3 3/4" long. No. 60A153. **Net Each \$1.49**

LEKTRSTAT RECORD CLEANING KIT

Entirely new approach to the care and cleaning of records, both LP and stereo. Actually cleans the grooves as well as the surface. Exclusive new formula features a non-gumming, antistatic liquid detergent in a plastic squeeze bottle, plus a special fine-grain cloth applicator which goes down into the record grooves to clean out abrasive dust, as well as remove static. Annoying hisses and crackles disappear like magic, music sparkles with new clarity. Adds new life and brilliance to the finest records. In handy plastic pouch. No. 11A9. Lektrstat Kit. **Net Each \$1.96**

ROBINS HIGH FIDELITY STOP-O-MATIC

AUTOMATICALLY SHUTS-OFF ENTIRE SYSTEM AFTER LAST RECORD PLAYS!

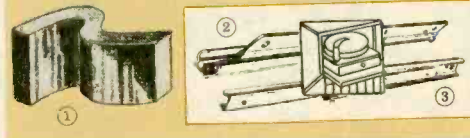

Now one can place a stack of records on the record changer with no worry about turning equipment off. Just plug AC cords of record changer and amplifier into "Stop-O-Matic". Special built-in device automatically shuts-off amplifier after last record has played. (Note: Changer must have automatic shut-off feature.) No. 33C31. For European Changers—Garrard, Col-laro, Thorens, etc. No. 33C32. For U. S. made changers—Webcor, etc. **Choice Each \$6.00**
